**Professional Development Financial Assistance  
Delegate Application**

**Instructions:** You must be employed by an airport or board member in the state of Michigan at the time the assistance is made. FAA part 139 Airports are not eligible. The intent of this assistance is to encourage more of the small and rural aviation airport personnel to have the ability to gain from the training programs provided at the MAAE Conference. You do not need to be a member of the MAAE to receive this assistance. The funding for this program is being provided by the Michigan Department of Transportation Bureau of Aeronautics by way of a training grant to the MAAE.

Your Conference Registration Cost will be covered by this Application when approved.

Hotel and Travel Costs are at your own expense.

For any questions, please contact Shawn Jezak at (517) 977-1172 or by email at [maae@michairports.org](mailto:maae@michairports.org).

**Applications must accompany Conference Registration in lieu of Registration Fee.**

## CONFERENCE INFORMATION

*This is the 19<sup>th</sup> year the Michigan Airport Conference has been held by the Michigan Association of Airport Executives (MAAE) and Michigan Aeronautics. By co-sponsoring this conference, we are able to provide airport sponsors, managers, consultants, and others interested in aviation the opportunity to meet in an open forum to share information and ideas. The conference also provides a versatile medium to inform attendees regarding changes and opportunities available to airport communities. The presence of vendors accentuates the availability of new equipment, products and processes, etc., that can be readily examined and provide hands-on opportunities. To have consultants available to explain their varying areas of expertise is another opportunity not to be missed.*

## AGENDA AND SPEAKERS

*Wednesday morning sessions promises to be a great time to hear from the MDOT leadership as well as the latest news and developments from the FAA. In addition, Sean Brosnan from Detroit Metro, joined by David DiMaria from Willow Run and a representative from the Michigan State Police will give us their perspective on the Fusion Center and Automated Critical Asset Management System (ACAMS). Video security at small airports is always an important topic and Francis Ralabate from EOS Business Surveillance Solutions will be present to tell us all about it. The Wednesday luncheon speaker is Jeffrey Zaslow, a Columnist for The Wall Street Journal, who coauthored **Highest Duty**, the new memoir of Capt. Chesley "Sully" Sullenberger, who famously landed US Airways Flight 1549 in the Hudson River. The afternoon Air Carrier and General Aviation round table discussions will be preceded by a presentation on Approach Plans, Wildlife Strikes and Land Use Planning - What Airport Managers Need to Know to Protect Their Airport by Stephanie Ward from Mead & Hunt, Inc. and Boris K. Yakima from Monaghan, P.C.*

*Thursday you won't want to miss the session with Dean Mericas, Ph.D from CH2M HILL, Inc. and Jeffery Longsworth, from Barnes & Thornburg, LLC on Managing Airport Deicing Discharges: Current Technical and Regulatory Issues followed by a presentation from Peter Butchko of the USDA on Wildlife Hazards. The grand finale of our conference will be our most honored tradition of recognizing the Airport Sponsor and Consultant of the Year followed by the grand prize drawing. You won't want to leave early!*
